

Our 2020 SUSTAINABILITY commitments

Our 2020 commitments highlight our determination to grow our business responsibly, profitably and sustainably. They are part of our long-term strategy that has enabled us to become leaders in sustainability among beverage companies.

SUPER SECTOR LEADER IN DOW JONES SUSTAINABILITY INDICES FOR THE FIRST TIME & BEVERAGE INDUSTRY LEADER FOR THE FOURTH CONSECUTIVE YEAR IN 2017

Ranked #1 by Dow Jones Sustainability Indices (DSJI)

We are the first company to achieve four consecutive wins in the world's most prestigious business sustainability rankings and now we also lead the Food, Beverage & Tobacco Industry Group as a whole.

In 2017 we were one among only 25 companies from all industries to be recognized as a global leader in corporate sustainability areas for climate and water by the Carbon Disclosure Project (CDP).
